

JOSHUA CANAPI

Aspirant Developer

About Me

Graduating Information Technology student at Polytechnic University of the Philippines with hands-on experience from an internship at Bluegates Cube, Inc., where I learned .NET Core and .NET MAUI. Knowledgeable in these technologies, with a passion for coding and a willingness to learn and adapt to new tech stacks.

Education

Polytechnic University Of The Philippines

Bachelor of Science in Information Technology
2020 - 2024

Skills

- Web Development (html, css, js)
- C#
- PHP
- .NET Core (Web/Rest API)
- .Net MAUI (Mobile Development)
- Sql Server
- My Sql
- Object Oriented Programming
- Basic Knowledge in Angular
- Git control(Github, Github Desktop and Source Tree)
- Basic Knowledge in EF Core
- Basic Knowledge in Typescript

Experience

.Net Developer Intern

April 2024 – July 2024

Bluegates Cube Inc.

As a .NET Intern at Bluegates Cube, Inc., I've been building my skills in .NET Core, .NET MAUI, and other technologies. I've worked on various projects, including a barcode scanning application and an inventory counting system. My role involved both back-end and front-end development, focusing on creating efficient and scalable solutions.

Projects

Inventory Counting System

Bluegates Cube Inc.

- Technologies Used: MySQL, C#, ASP.NET Core Web API, .NET MAUI.
- Description: Developed and implemented REST APIs, fixed bugs, and added functionality to the front end. Designed and maintained databases to support the system.

Barcode Scanner Application

Bluegates Cube Inc.

- Technologies Used: MySQL, C#, Windows Form.
- Description: Developed a desktop application for Bluegates clients to scan product barcodes and quickly retrieve prices.

Barangay Konektado: Barangay Management System

Capstone Project

- Technologies Used: MySQL, PHP, HTML, CSS and Javascript.
- Description: Developed an online system to automate the process of requesting documents, enhancing the efficiency of barangay management operations.
